

**CERTIFICATE of COMPLIANCE
RoHS DECLARATION**

Dear Valued Customer,

Mobile Video Devices, Inc. affirms that our products meet the requirements of the European Parliament and of the council of January 27, 2003 on the restriction of the use of certain hazardous substances in the electrical and electronic equipment; i.e. EU RoHS Directive 2002/95/EC.

The RoHS Directive restricts the use of certain hazardous substances which are known to pose health risks and cause damage to the environment, such as cadmium, hexavalent chromium, lead, mercury, polybrominated biphenyls, and polybrominated ethers.

Mobile Video Devices, Inc. is committed in its goal of responsible manufacturing, and is ready to meet environmental standards, domestic and international.

Sincerely,

Darryl Spangler
President
